Lehman Inmate Escapes From Work Crew

Duane R. Welch, 27, escaped from a Camp Lehman work crew on Wednesday morning, August 23, while working at the Interlochen State Park, across from the Interlochen Music Camp.

Welch was last seen during a routine prisoner count conducted by a Camp Lehman supervisor at 9 a.m. The same supervisor noticed Welch was missing approximately 15 minutes later.

Welch, from Grayling, was convicted for breaking and entering in March, 1988, in Crawford County and was sentenced to 6-15 years by Judge William Porter.

As of Tuesday, August 23, Camp Lehman officials reported that Welch had not been apprehended.

Chamber Program Features Ostling

The Grayling Regional Chamber of Commerce will be holding a special "LEGISLATIVE EGGS & ISSUES" program on Friday, September 8, 8 a.m. at the Holiday Inn of Grayling. The guest speaker for the Breakfast program will be Legislative House Representative Ralph Ostling.

The topic of the "Eggs & Issues" program will highlight "REPRESENTATIVE OSTLING'S VIEWS ON HOW THE CHAMBER CAN AFFECT LOCAL LEGISLATIVE ISSUES" (specifically, those issues that relate to business, industry and tourism in Crawford County). There will be a question and answer session after the presentation.

The fee for the Breakfast program is \$6 for Chamber Members and \$7.50 for non-chamber members. Money will be collected at the door. Reservations are needed, and can be made by calling the Chamber office at 348-2921, by Thursday, September 7th.

Blood Bank Set For September 6th

A Red Cross Blood Bank will be held at the American Legion Hall, from noon until 6 p.m. Wednesday, September 6th. Blood is in critical supply almost everywhere. In many major population centers elective surgery is being postponed because of the serious blood shortages.

Dial-A-Ride (348-5409) will come and pick up, take you to the Legion Hall and take you back home without charge if you come to donate a pint.

Dial-A-Ride Offers Students Half-Fare

The Crawford County Transportation Authority will offer its Dial-A-Ride service at half price for all school students beginning in September. Students, senior citizens, and handicapped riders all will receive half price.

In the past only students younger than 12 received the discount.

Early Deadlines For Labor Day

Community news items for the Sept. 7th issue of the Avalanche need to be in the Avalanche office by 5 p.m. Friday, Sept. 1.

The Avalanche office will be closed Monday, Sept. 4, for the Labor Day holiday.

The deadline for classified ads will still be Tuesday noon.

Crawford AuSable Becomes In-Formula

The Crawford-AuSable School District (CASD) is now an in-formula district, at least for the 1989-90 school year, and as a result of this status, the district will receive approximately \$40 per student in state membership aid.

In-formula status occurs when the state's financial guarantee per pupil for a particular

school district's millage rate is higher than its local property taxes per pupil. When this happens, the state makes up the difference in membership aid.

School Superintendent Kent Reynolds said the "in-formula" program is the state's way of rewarding high millage rates. "If our local taxes

would have been higher per pupil than the state's guarantee we would have received nothing," he said.

Reynolds and Assistant Superintendent Paul Lerg notified the CASD Board of Education that recent increases in the state aid formula and the district's four year trend of low property value increases have caused the district to skip back in-formula.

Because the district could move back and forth between in-formula and out-of-formula status for several years, the Board decided to join the in-formula caucus of the Michigan Association of School Administrators as well as maintaining an associate membership in the Michigan Out-of-Formula District Association. The Board also agreed to contribute to the in-formula caucus litigation account which funds legal research to determine whether a law suit can be brought against the State of Michigan for failure to provide an equal education opportunity for all Michigan students.

As an in-formula district and no longer subject to categorical recapture, the district will realize an additional \$15,000 in state categorical aid.

The CASD Board of Education received a third piece of good news at its August 14th meeting. Reynolds and Lerg explained that as a result of intense lobbying conducted by northern Michigan superintendents since 1986, the state legislature has established a new low income categorical aid program which will bring approximately \$129 per pupil in additional state aid to the local schools. Reynolds said these school administrators argued that income, as well as property values, should be used as indicators of district wealth. Districts whose average household income is below 75 percent of the state average household income will receive low income categorical aid. Until the CASD office receives confirmation of the exact dollar amount, Reynolds said the Board has only budgeted 80 percent of the anticipated revenue.

QUIET PLAYGROUND - This equipment on the kindergarten playground, is empty now, but next Wednesday, Sept. 6, it will be crawling with a new class of students as school opens in the Crawford AuSable District.

Local 1071st Unit Exceeds Germany Objectives

After three weeks in the Federal Republic of Germany, the 1071st Maintenance Company of the Michigan Army National Guard returned to Northern Michigan last weekend. While in Germany, the 1071st participated in a test program under the direction of the Equipment Maintenance Center, Europe.

The program is designed to study the feasibility of reserve units doing maintenance support missions in Europe. During their annual training mission, the 1071st was involved in numerous repair projects, including work on tank turrets, engineer equipment, fuel dispensing and electrical equipment, tents, and small arms. They also ran a reassembly line for 2½-ton trucks, using reconditioned parts.

In performing these tasks, the unit of 145 people (including eight female personnel) ex-

ceeded their mission objectives. In fact, the company worked quickly and efficiently enough that the supply of repair parts could not keep up with their needs. This prompted the EMC commander to request that the unit extend its visit in Germany. However, due to constraints of their annual training days, this extension was not authorized, yet it reflects the outstanding job performed by this Grayling-based unit. In the words of Staff Sergeant Jackie Jines, Training NCO for the 1071st, "They (EMC-Europe) have every intention of having us back in 1992 as part of the maintenance program."

While working and spending leisure time in Germany, the troops had many opportunities to travel and sightsee, and also sensed a few problems, with language being the largest. They experienced the tight military security of

Europe, something almost unknown in Michigan. The need for identification checks at every gate and at far-flung shop locations, up to ten miles apart, presented delays in daily routine.

The unit's area, near Kaiserslautern, resembles central Pennsylvania—mountainous, yet with a climate similar to Grayling. The population, however, was much different, having some 80,000 U.S. troops stationed in the area, along with a large civilian population. Yet their visit was an enjoyable new experience for a number of the unit members who had not been to Germany before. Transportation to and from Germany was difficult, with each trip taking from 24 to 30 hours, and much of that time spent waiting for connecting flights. Of those asked if they would like to return, their response was an enthusiastic "Yes!"

Vikings Host Roscommon Friday for FB Opener

The Grayling Vikings will host Roscommon for their gridiron opener this Friday, Sept. 1.

The varsity football has 23 members, with only 9 players returning from last year. Returning lettermen include seniors John Lamie, Matt Spencer, Jim Abney, Pat Gizinski, and Frank Harwick. Returning juniors include Todd

Thorsen, Mick McKinny, Nathan Glinther, and Matt Branch.

Other members include Brian Shepard, Jeff Edinger, Jason Clark, and Todd Elekonich, seniors, and the following juniors David Teddy, Max Prosser, Joe LaForest, Dana Mirate, Todd Millkin, Jeremy Beorset, Tim Hough, Andy Barkway, and foreign ex-

change student Andy Erickson from Sweden. Jason Basham is the only sophomore on the team.

The varsity team is coached by Don Stowers, Mike Branch, and Don Ferguson.

Many of the players have lifted weights during the summer and have improved their strength, said

Varsity Girls Open At Roscommon Tuesday

The Varsity girls basketball team will be going against a tough Roscommon team at their season opener Tuesday, September 5, in "Bucks" country.

"Roscommon has one of the best teams I have had in years and I am glad they are not in our conference," said Coach Howard Lehti. "They have been practicing all summer, and think they have a shot at the State this year," he said, "and we are

going to see how good we are quickly. It should be a whale of a game."

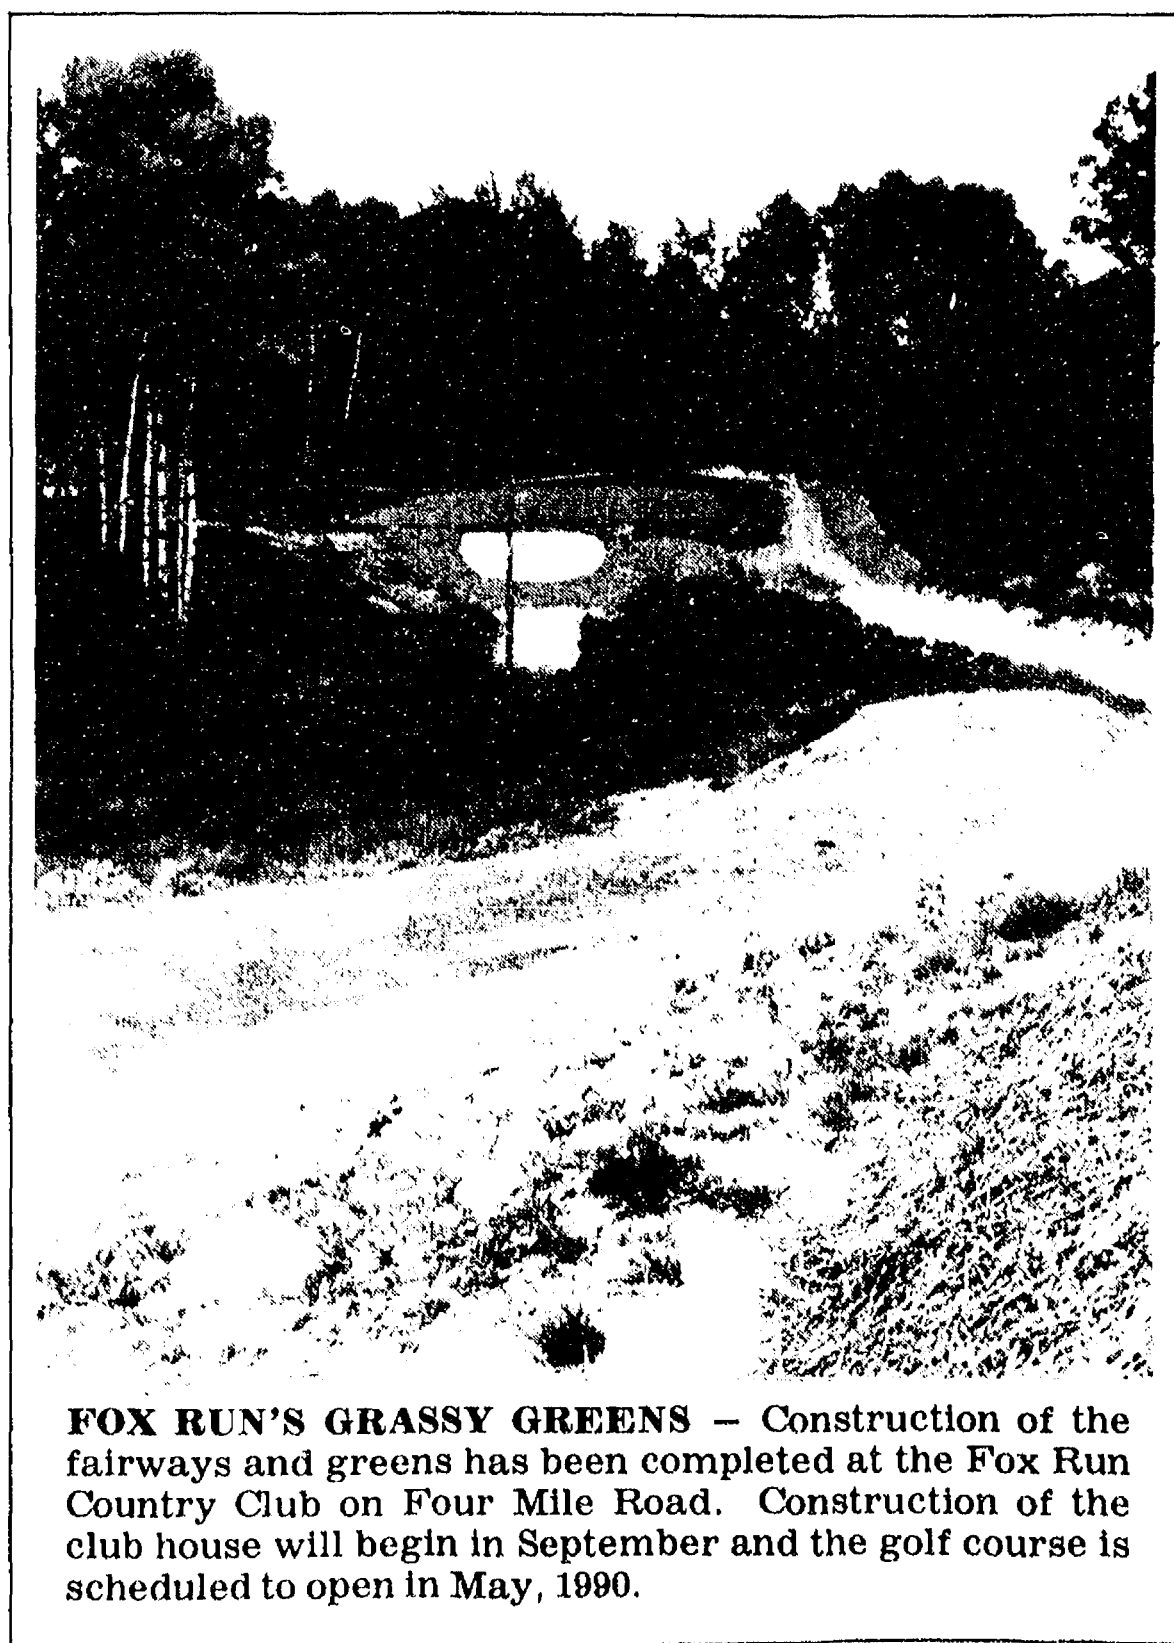

Grayling has been practicing as a team since August 14; however, many of the girls took part in the six week community sports program offered last summer. This program not only gave athletes a thorough lesson in the basic fundamentals of their sport, in this case basketball, but also

highlighted areas where improvement was indicated.

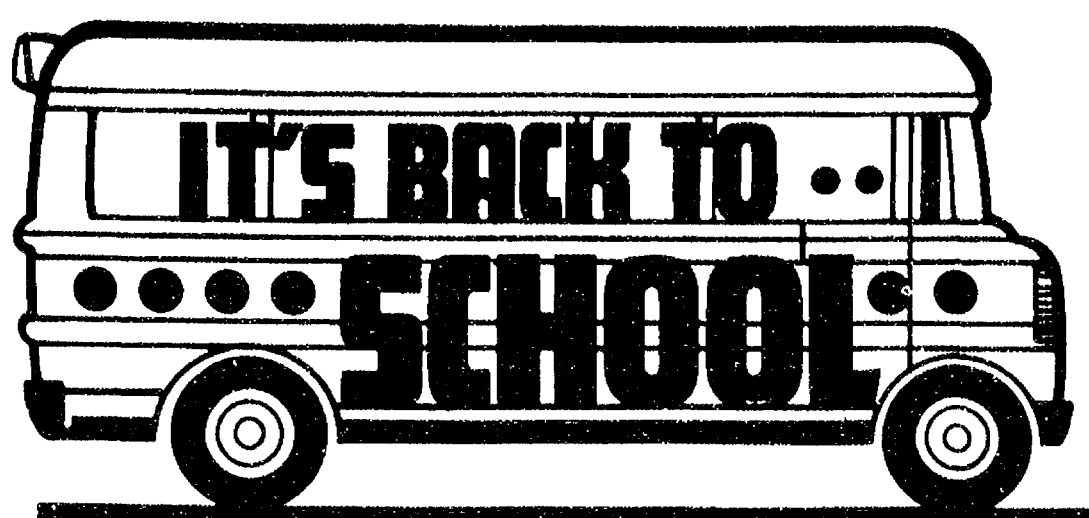

In addition to these practice opportunities, the Varsity girls attended Team Camp at Olivet where they were able to do some scrimmaging.

Grayling has six returning letter winners, five seniors and one junior. Returning seniors are: Margarita Perez, Anne Petrosky, Janet Bick-

Next 3-Year Goals Are Simple for Mercy Hospital

Comparing the way hospitals conduct business as opposed to for-profit ventures was the topic of discussion at the Grayling Promotional Association's meeting held Tuesday, August 15.

"Most businesses exist solely to make a profit," commented Noreen Davis, Vice President of Patient Care Services and Operations at Mercy Hospital/Grayling. "Mercy's primary concern is saving lives. If it wasn't, the cost of health care would be many times what it is now, and many services you expect would not be available."

Stating that

hospitals are not profitable due to the method in which they are paid, Davis cited an example of a fully staffed emergency room, waiting for patients.

"We can't afford not to have an ER staff on hand, just in case you do need them — because they make the difference between saving a life and losing one," she noted.

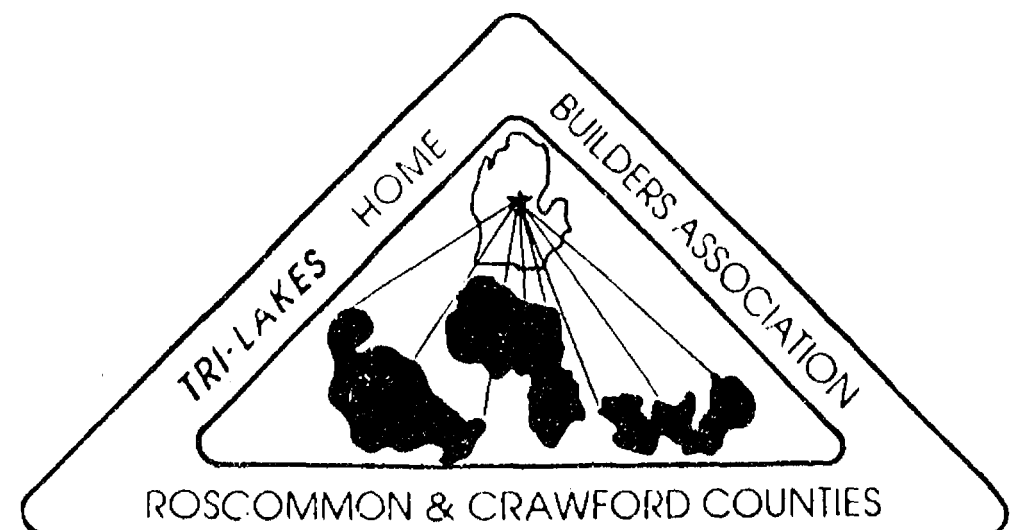

Hospitals also provide a service without any guarantee of payment, said Davis. She asked business owners how

many could operate profitable under those kinds of circumstances.

In addition, the issue of underfunding from federal and state programs — Medicare and Medicaid — was addressed. Davis noted that Medicare programs, which account for 50 percent of Mercy Hospital's revenue, don't cover the costs of providing care to Medicare patients. The situation is similar with Medicaid, where only 79 cents on the dollar is

paid for medical costs. Davis also outlined the recent strategic planning process that defines the directions Mercy will be taking over the next three years.

"Our goals are simple," Davis said. "We will continue to recruit new physicians to our area, develop affiliations with other health care providers, attract highly qualified personnel, monitor and ensure quality patient care, and define and provide services our community needs."

NEW SIGN — The Tri-Lakes Home Builders Association has announced a new job site sign. The new sign includes the member's name and phone number on a common background. The signs feature a universal house symbol and the Tri-Lakes Home Builders Association logo. Tri-Lakes Home Builders Association members are builders, subcontractors and suppliers in Crawford and Roscommon counties.

Camp AuSable Finishes Year After 1208 Visitors

The summer camping season for Camp AuSable ended last Sunday. Martha Keough, the office secretary, reports that there were 1,208 campers this season. The staff of 86 that included college students, school teachers, and retired persons came the first week of June to make preparation for the arrival of the campers.

Each week a pastor from a Seventh-day Adventist church in Michigan served as camp pastor. Various doctors donated a week of medical supervision, taking time away from their practices. There were 6 nurses who also worked with the doctors during the summer months.

Campers came from as far away as Hong Kong, Florida, and California. Some stayed for three weeks, or came for several different camps. The largest number of campers for any one week was during Family Camp when 230 campers registered.

The "work crew" under the direction of Brenton Bullock and Dick Scott specialized in camp improvements. New cement sidewalks were laid near the Merrill Y. Fleming Nature Center, the grounds North and West of this building were prepared for a new lawn, and a Braille Trail is being developed that will be of special interest to the blind as well as the sighted. The athletic gymnasium was enlarged.

The rest of the staff consisted of 8 in Food Service under the direction of Rex Townsend as head cook with another 6 people cleaning dishes and pots and pans, 13 nature instructors directed by Merrill Fleming, 9 water front personnel with David Jardine as head W.S.I., 11 craft instructors with Darlyn Townsend as director, 11 counselors for the girls supervised by Bonnie Shoun, 10 boys coun-

selors with Chris Davisson as dean. Brenton Bullock had 4 working with him in the care of 25 horses. In addition, Jeff Swanson and Tom Selway were in charge of the four wheelers, Steve Yeagley was Olympic games coordinator, the photographer was Jeff Wright, Lisa Jardine was responsible for the programs, Matt Rappette was the security force, Susan Pallendini served as Laundry hostess, the Business Manager was Joyce Bullock. The office was coordinated by the secretaries, Martha Keough, Pat Edsell, and Shelly Scott. The Camp Director is Bill Edsell, Brenton Bullock is Camp Manager, and Dick Scott is Assistant Camp Manager.

Camp AuSable is owned and operated by the Michigan Conference of Seventh-day Adventists. It was purchased in 1947 and is used year around by church groups, schools, clubs, and other organizations.

Let's Talk About It

By Joe Murphy

With the help of my good buddy, Larry Duval, I finally found Pere Cheney. I have wanted to go out there for some time. About the only thing that's left there is the old cemetery. Thanks to the American Legion it is cleaned up and looks pretty good. The vandals, who got their kicks by breaking up tombstones, must be very proud of themselves. People, with minds that are sick, deserve our pity not our anger. They are the kind of people, who I wish a lot of luck, (ALL BAD). While checking tombstones, I saw another heart breaker, the graves of the children of Frank and Frances Barber. They lost three children in December of 1893. Hattie (age 9), Ray (age 8) and Roy (age 6). It's things like that which tell you of the real hell of those early days.

One thing about the early settlers in this area, they were not inclined to judge a man, except on merit. Charles F. Kelly, who was a merchant in Frederic, was a black man. Examining his business ledgers shows he had a good trade with most of the folks in Frederic in those days. I see my grandfather, Joseph Charron, did a lot of business with Mr. Kelly. When Mr. Kelly died, on the 4th of November, 1909, the folks had a big funeral for him. He is buried here in Grayling, near the front of the cemetery, beneath a large tombstone. There

were other blacks among the early settlers, in Crawford County. My mother told of one (I forget the name), who lived in Maple Forest. Seems he was quite a deer hunter, he used to say, he could just squat down and the deer thought he was just another black stump.

There is a new display at the museum that everyone should see. How many of you old timers remember the J. R. Skingsley home, that stood out in Beaver Creek Township, near the corner of Merrio and Fletcher Roads? Well, if you can't remember just how it looked, stop in at the museum and refresh your memory. Thanks to George and Mary Lokken and other family members, there is an exact scale model of the Skingsley home on display there. The detail of this model is really fantastic. With a lot of pictures and loving memories, they have recreated the home and it's furnishings to precise scale. It was a very beautiful home that must have had a lot of great memories, for them. You owe it to yourself, to stop in to see it.

I am sorry to note that sales of my book, "It Seems Like Only Yesterday," have slowed down. Come on folks, help support our museum by getting a copy. A ten dollar donation gets you a copy. It contains forty-six of my poems and all proceeds go to help the museum.

Progress Not Possible When People Fail To Communicate

Dan L. Alstott
Executive Director
AuSable Manistee
Action Council

Dear Dan Alstott,

The Chamber board regrets that you will not be attending the Grayling Regional Chamber of Commerce Board Meeting on August 24, 1989, as previously agreed upon. The Board finds it very unfortunate that you have decided, based on individual comments from County Officials, to decline the Chamber's invitation to speak to our Board of Directors. The Chamber has welcomed the opportunity to facilitate communications between the Grayling business community, the Army National Guard, as well as, any concerned community organization.

Communication nor progress is possible when people fail to communicate. The Board again finds it very difficult to believe that the reason that you are not following through with your plans to speak at the Chamber meeting (as it was you who initially contacted the Chamber of Commerce to begin conversation) is due to the comments made by the Crawford

County Commission in regard to the AMAC video tape. The Chamber feels it is important that AMAC realizes that we are not the County Commissioners, nor do we take responsibility for their actions or comments on any issue.

Honestly, where do you think the current "level of hostilities concerning AMAC" as quoted from your recent letter sent to the Chamber declining our invitation, stems from? Your organization, AMAC, is continually reprimanding the Army National Guard for not communicating and informing the Grayling community of their true intentions. Is AMAC any better by declining to publicly speak to concerned organizations such as the Grayling Regional Chamber of Commerce?

The Grayling Regional Chamber of Commerce Board of Directors is open to hear your comments, when you are ready. Please feel free to contact Deborah Barry, the Executive Director at your convenience #348-2821.

Notes from the Woods

By Nancy Lemmen
Avalanche Columnist

Columnist Ann Landers, normally known for her common sense advice, must have needed a break the other day. She printed a list of ways of "How to Know You are Growing Older," sent in by Howard from Hollis, N.Y.

His list included such humorous items as: "You sink your teeth in a steak and they stay there" and "Your little black book contains only names ending in MD."

Some of the items seemed touching -- even sad -- such as: "You know all the answers, but nobody asks you the questions" and "You look forward to a dull evening."

Ann thought that the list was "Funnee!" I guess if she can laugh at the perils of growing older, good for her. And certainly, as my friend Mike says, "Growing older is better than its alternative."

But I used a different measure to know that I was growing older. And I wasn't laughing. It was the night I took my dad to see the lunar eclipse -- instead of my dad taking me.

My father has always loved the natural world. He originally planned on a career that would allow him to work outside. I remember his telling us how one summer when he was young he enjoyed his job as a forest ranger in Wisconsin, assigned to a fire tower in the woods.

Maybe, if the events of World War II had not interrupted his college studies, he might have gone into forestry or conservation or natural resources work. As it was, his reserve unit was called into action. Then after the war ended, he never returned to the university or his forest ranger job. He became a businessman, and he spent his career working mainly indoors.

But he continued to love the outdoors. And he shared his love with my brothers and me.

He would take us into the yard to look at a snake swallowing its prey, a spider building its web, a bird feeding its baby.

Driving in the car, he would pull over to the shoulder to show us a doe with her spotted fawn, a raccoon with its masked eyes, a porcupine with its protective quills.

In the woods, he taught us why leaves change color in the autumn. He showed us how to tell the approximate age of a tree by counting its rings. He made us pause to listen to the eerie call of the loon on the lake. He pointed out the hawk and the eagle flying through the sky.

He showed us the heavens. He took us outside to see the Northern lights shine low on the horizon. He identified the major constellations and told us why the Indians had given the stars certain names. He described cloud formations and predicted the weather from them.

My mother tells us that one

spring day after we had grown up and left home, Dad called her to the front door. "See that funnel cloud down the street?" he asked. "That's a tornado." "Don't you think we should go down to the basement, Joe?" she replied. "In a minute," he said.

He was right. The tornado ripped a home from its foundations and damaged the grade school my brothers had attended. But it entranced my dad, who stood in the doorway calmly watching it.

I've never been afraid of storms. My father taught me to appreciate the beauty in the sound of thunder, the sight of lightning, the smell of rain, the feel of electricity in the air.

On the infrequent occasions and solar or lunar eclipses, he told us the astronomical reasons for their occurrence, then always took us outside to watch them.

When the moon disappeared from the sky two weeks ago, I happened to be with my parents. The event was announced on the television and radio and in the newspaper. So I might have expected my dad to mention it, to take me by the hand into the night to watch as the moon slowly disappeared slowly and temporarily from the sky.

But, really, I knew that he wouldn't. For the past few years, my father has been slipping away from us, plagued by a disease that is gradually stripping him of his awareness of the natural world, his ability to converse meaningfully, his intellectual processes.

He said nothing to me about the eclipse. So, instead, I showed it to him. I took him by the hand and we went from the house into the night twice, once as the eclipse was just beginning, and again, when the moon was nearly obscured. As we watched, I reminded him that he and I have a history of seeing eclipses together. He murmured a polite assent, but it wasn't clear if he remembered.

I wasn't prepared for my new responsibility. I hadn't even found out the astronomical reasons for its occurrence so I could tell him why the moon was disappearing.

If he had been showing the eclipse to us children, he would have known that. He would have planned the family's evening around the celestial event. He would have taken us by the hand to the backyard to watch its progress. He would have been prepared.

So on that night the little girl still in me cried silently, "I want my dad to show me the eclipse!" But the woman that is me answered sensibly. "He can't do that anymore. Now the eclipse is your responsibility. That's the way that things are."

And it is also the way I know I am growing older. But unlike Ann Landers, I don't think it's so funny.

Almanack

By Richard Milliman
Avalanche President

Farewell to Bill Lucas

MICHIGAN'S BILL Lucas has moved off the nation's front pages and into the relative obscurity of a lower level post in the Department of Justice.

So it's farewell to Bill Lucas. The nation may never hear of him or from him again.

He had his hour in the sun. Actually it stretched out into several weeks of notoriety.

Mr. Lucas, who built his political record in Michigan, was nominated by President George Bush to become Assistant Attorney General for Civil Rights.

At the time the nomination was made, it seemed inspired. Mr. Lucas had been born in a New York ghetto, earned a law degree, worked briefly in the Justice Department then built a life-long record of accomplishment in the field of law enforcement, first as an FBI agent and then as sheriff of Wayne County. He was elected as first Wayne County administrator and ran for governor of Michigan, a major state where minority affairs are important.

And on top of all this, Bill Lucas was black. What more could anyone ask?

WELL, IT DIDN'T work out that way at all. Most organized civil rights leaders opposed his appointment. So did most congressional liberals. Not enough experience in the law, his opponents argued. Not enough commitment to civil rights, they charged.

In pursuing these criticisms of Bill Lucas' appointment, his detractors drew out lots of other things, too -- jail conditions in Wayne county, treatment of prisoners, trips to Las Vegas, etc., etc., etc.

What was the real rap against Bill Lucas? His lack of legal experience was a major part of the problem; it was a tangible argument where his foes could hang their hat. How much trial experience is needed to run a department of 151 attorneys is open to some question, however. Robert Kennedy proved that all he needed to run the whole Department of Justice was winning the appointment.

Mr. Lucas' commitment to civil rights was a real hang-up, too. His friends argued that Bill Lucas' whole life was a commitment to civil rights; leaders of the organized civil rights groups wouldn't buy that argument. Bill Lucas had been too quiet along the way.

MR. LUCAS DIDN'T help himself in his senate committee hearing, either. He sounded a bit fuzzy on civil rights legislation, and he allowed that recent supreme court decisions -- decried by civil rights activists and other civil libertarians as severely limiting their past gains -- really weren't all that important after all. In this, Mr. Lucas was echoing the line already established by President Bush and Atty. General Dick Thornburgh, his chief benefactors; what else could he say?

At any event, Bill Lucas lost. The vote in the committee was a tie 7-7. One Democratic senator switched sides; otherwise it was a straight party-line decision. Politics? Probably.

So Mr. Bush found another haven for Mr. Lucas. He named him director of the Office of Liaison Services within the Department of Justice.

Mr. Lucas will make as much money in this job as the other one, at \$80,700 a year. He'll be in charge of two other lawyers and a staff of six. His job will be to work with state and local governments, law enforcement agencies and other local groups on behalf of the attorney general.

WHAT A COMEDOWN for Bill Lucas. But for the record, he indicated he was happy with the new position. Anywhere he could help he would be glad to serve -- that's the Bill Lucas line. And it's probably true.

Besides, this job doesn't need senate confirmation. Mr. Thornburgh's predecessor, Edwin Meese, set it up a few years ago to take care of a friend of his who needed a job. And, like most government jobs, once created, it exists.

If George Bush is elected twice -- as he probably will be -- and if Bill Lucas continues to serve throughout the Bush administration as director of the Office of Liaison -- as he very likely could -- then Mr. Lucas will be nearly 70 and at a good, solid retirement age, when things will change again for him.

It's too bad. Mr. Lucas had a lot to offer in a public position. He won't get much of a chance to benefit the public welfare in his new post.

But it is, after all, a job. And the sad truth is that maybe that's all Bill Lucas really wanted all along.

"Wonderful seats you got us! I'd say this is equal to a seven-inch TV screen."

ford, Melanie Ojala and Nikki Trenary. The returning junior is Heather Stephenson. Other juniors on the 12 member squad are: Krista Wyman, Claudine Allen, Shannon Hinds, Nichole Morrill and Lisa Jo Barber. The only sophomore on the team is Michelle Burcham.

Six players have been brought up from the J.V. team," said Lehti. "They are new to us, but are not new to basketball."

"Our outside shooting looks good," Lehti said. "We have Melanie Ojala, two time letter winner and one of the leading scorers in our conference for the last two years, who looks stronger and faster

than ever."

Heather Stephenson, the 5th leading scorer in the conference last season, is also back as a junior with more experience and gives Grayling another excellent outside shooter.

If the team has any weakness it is with their inconsistent rebounding effort, but even that does not seem to concern Coach Lehti. Nikki Trenary at 5 ft. 11 in., Janet Bickford at 5 ft. 9 in. and Michelle Burcham at 5 ft. 10 in. provide Grayling with the potential to be strong and aggressive under the basket.

Burcham, the only sophomore on the team, attended Team Camp during the summer, and in Lehti's

opinion, proved that she can play ball with the juniors and seniors.

"Burcham will improve our inside game," stated Lehti. "Trenary and Bickford will also be instrumen-

tal in the team's rebounding ability."

"The area under the basket is referred to as the War Zone," said Lehti, "and the team that dominates the War Zone usually wins the ball game."

Coach Lehti will once again be assisted by Mike Shearer who will be in charge of the video camera and other tasks that come up, as well as John Smock, who will be serving as statistician

and help with the team's publicity needs.

Grayling plays its first conference game at home on Thursday, September 7.

"We have the potential for beating every team in our conference this year," said Coach Lehti. "I am looking forward to the season."

head coach Don Stowers. He said the team's offensive backs have improved and the players are more developed as a team than at this time last year.

Stowers said he expects Roscommon to use the same strategy this Friday that they have used for several

years. "Because it works!" he said. "I would do the same thing."

Roscommon has in the past used a passing game with an oc-

casional counter run.

"We always enter every game thinking we are going to win," said Stowers. "This should be a better game than last year."

ADDITIONAL PROGRAMS

In response to the increased revenues from in-formula and categorical aid, the Board created the position of elementary counselor and had decided to open an additional kindergarten section to be located at the Frederic Elementary School.

Reynolds said the CASD has posted the elementary counselor position and is attempting to fill the position for the coming school year. He said with the increasing numbers of students at risk and the increasing pressures experienced by students from many directions, an elementary counselor is needed to help students address these problems, and enable them to get on with the business of learning.

"I really feel that the benefits the children are going to derive from the counselor are unlimited," said Melvin (Pat) Nunn, Grayling Elementary School Principal. "We are going to be able to look at the total child and no longer use the 'bandage approach' to problem solving."

Nunn said that the counselor will be able to help the elementary children deal with a broad spectrum of problems including helping a child deal with a death in the family, retention situations and helping to correlate school and community programs designed to help children.

Increased kindergarten enrollment has caused the present classes to swell to an average of 30 students, which Reynolds said is unacceptably large. The additional section will reduce the average kindergarten class to 25 students. The district is in the process of contacting parents of kindergarten students by telephone, offering 20 students the opportunity to attend the Frederic class.

Other expenses authorized by the Board included the following purchases: two new buses on order will be purchased on a cash basis rather than financed over five years resulting in a savings of \$15,000; additional musical instruments will be purchased for the high school band on a cash basis saving \$9,000 in finance charges, a public address system will be purchased for the Grayling Elementary School and a new public address module will be purchased for the Grayling High School to replace the outdated 16 year old module; computer equipment will be purchased for the Central Office to enable the district to go on line for their fiscal operation with the Bay Arenac Intermediate School

District; a high school library aide will be hired in compliance with North Central Accreditation standards and the Board accepted the low bid of \$10,200 from Duncley Floor Covering for carpeting five classrooms and the auditorium at the high school to replace 16 year old carpeting installed when the school was constructed in 1973.

OTHER ACTION TAKEN

The CASD Board of Education was notified that the district's preschool program was being transferred to the high school building for the 1989-90 school year. This change was necessary because there was no space available in either elementary school.

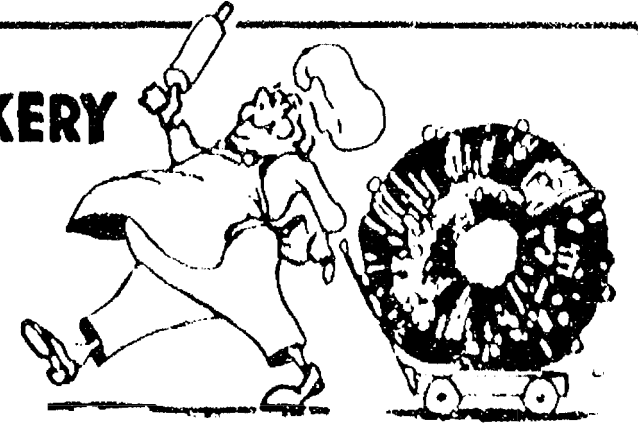

The classroom to be used at the high school is located at the end of a corridor near the exit closest to the bus garage. This will make it easier for the young students entering and leaving the building. The classroom is also located next to bathrooms that are not used by high school students and will be made available exclusively to preschool students. Location in the high school building has the added benefit of the availability of high school students enrolled in child care and development classes.

The Board of Education also took action to adopt a revision of the District Athletic Code to allow for suspension from participation in athletics for up to a full calendar year for possession or use of alcoholic beverages, illegal drugs or tobacco products. The old policy called for a suspension for the remainder of the sport season during which the offense took place on for a period of twelve weeks.

Reynolds explained that this revision gives the athletic department a greater range of disciplinary action which includes from 20 percent of the season to a full calendar year, depending on the degree of the offense. He said the new suspension ruling also allows the athletic dept. to take action even if the offense does not occur on school property or during school hours. If an athlete is involved with illegal drugs during the weekend, in another community, the athlete is still vulnerable to disciplinary action by the district's athletic dept.

Karen Ashton of Las Vegas spent one week with her parents, Sally and Reggis Ashton, at Higgins Lake. They all attended the Buddy reunion held at Higgins Lake during August. Karen, Sally and Reggis also visited Sally's mother and husband, Anna and George Granger at their AuSable river home.

Paul Gust has moved to Saginaw where he has accepted a full-time teaching position with Nouvel Catholic Central in Saginaw as an English teacher and yearbook advisor. Paul is the son of Carol and Larry Gust and

graduated from Northern Michigan University in May.

Lori Gust is leaving for Ferris State University the first week in September to begin her freshman year. She is the daughter of Carol and Larry Gust.

Robert Bovee attended the Michigan District Kiwanis Convention held at the Westin in Detroit from Thursday to Sunday of last week.

Mary Esther and George Lokken have returned from Atlanta, Georgia, and Boone, North Carolina. They have brought back the replica of the Skingley

home which stood in Beaver Creek. The miniature house will be on display at the Crawford County Historical Museum. The Lokkens will be returning to San Antonio in September.

The weekend of August 19 was reunion time at the Owl's Roost on the AuSable.

Present were Mickey and Bob Strong of Alpena, Sandy and Bob Luter of Kingwood, Texas, Andrew Luter of Boulder, Colorado, Kathie, John and John Paul Stock of Rochester, Michigan, Rob and Erin Luter of Kalamazoo.

Eva Strong and Major General (Ret.) and Mrs. Ron McDonald of Clearwater joined the group on Sunday. The McDonald's left for home Thursday after spending several days at Eva's. While here they also visited their former Okemos neighbors, Dr. and Mrs. Harland Anderson at Bear Lake. Ron also got together with Lt. Col. (Ret.) Harold Clingensmith and stopped to see General Andrews and others at the guard camp.

On August 15, Mickey Strong entertained her Alpena sewing club at the Owl's Roost on the AuSable. The ladies enjoyed dinner at the Garlands, near Lewiston, returning home Wednesday. Eva Strong accompanied Mickey back to Alpena and on Thursday evening Bob, Mickey, Eva and Polly

PROTECT YOUR OLD AND VALUABLE PHOTOGRAPHS

Have you ever wondered how you can protect your family pictures from fire or other catastrophes? I discovered how. In 1979 I lost several treasured family original photos, like the one above, to a home fire. Luckily I was able to find one other copy of the above photo with an older family member. She allowed me to take her copy and have a copy made for myself. The negative is now secured in a bank vault.

Your pictures can be protected too and copies made for other family members who desire a copy for their albums as well. It's easy, inexpensive and your original is not sent out through the mail risking it to the questionable care of strangers.

ASK THE PHOTO PROFESSIONAL HERE FOR DETAILS ON HOW YOU CAN PROTECT YOUR FAMILY HEIRLOOMS.

Poet's Corner

(This poem was written by Jack Mason for Zonela Lapka 50 years ago. Peter, a red cocker spaniel, sired 63 pups and most of them were given to Grayling families by George Mason).

Peter's His Name

*When I was a Boy of five or six,
I was given a dog of my own.
He was my friend in many a fix
We had our secrets, to share alone.*

*He was a Red Cocker Spaniel, Peter by name
And, oh how he'd run and play!
Happy hours outside until dinner time came
And he'd jump in my bed at the end of the day.*

*When we later got older, I handled a gun
And off thru the woods we'd roam.
He'd be ahead, nose down on the run,
And he'd be mighty proud when we took
rabbits home.*

*The Seasons went on and Peter got old
But we'd both hunt the Woods every year
"Old Pete's getting on" many times I was told
A few even said "He can't hear."*

*But if I took my gun and not him too
He'd bark and he'd howl all day long.
He thought he could hunt like young dogs do
So I'd say "Alright, Pete, come along."*

*He wasn't so fast, he'd oft 'lose a track,
And sometimes he'd not hear my call.
There was many a time I'd carry him back
For Pete tired easy that fall.*

*And all last summer he'd lay in the sun
He was dreaming of Rabbits, I guess.
Dreaming of running tracking and fun
And remembering men in their Hunting dress.*

*I had some dreams, as all of us do.
And I think my dreams were the same.
I knew that for Rabbits, old Pete was through
He was deaf, half blind, he was lame.*

*For 16 yrs. we'd been friends, Pete and I
Yet his days were few, I could feel
"There can't be another" I thought with a sigh.*

That night Pete was hit by an automobile

*We found him next morning, he was hurt pretty bad
And I had to go get my gun.
Old Pete, he knew I felt mighty sad.
For he realized this wasn't for fun.*

*We drove to the woods where we used to play
And I put him beneath a tall Pine.
When he looked up at me, his eyes seemed to say
"Sure I understand -- this is fine"*

*I lifted my gun, the one we both knew,
But there could be a thrill, nevermore.
My friend would not bark to this shell that flew.
My heart would not rise to this triggers roar.*

*I turned away quickly, tears stinging my eyes.
And ran thru the brush all alone
The sun in the woods, the pines whispering sighs
As my friend trailed a track of his own.*

*I think now and then I can still hear his bark
Come drifting to me from afar.
I know it is Pete, still out after dark
Chasing Rabbits on some distant star.*

*My Dogs gone away, there's a tear in my eye
And my Hunting just won't be the same.
Watch for him Lord, he's up there on high
Just call him Peter's his name.*

World Class Cyclist Training in Grayling

Debra S. Cohen, a World Class cyclist, was in Grayling training at Rainbow

Fitness with Rick Febey recently. Debra, who is a part time resident of Grayling, just returned from Moscow, USSR, where she placed fourth in the Junior World Cycling Championships in the Track Sprints. Debra has been training on local roads for upcoming races.

A recent recipient of a grant from the Women's Sports Foundation, Debra, 18, won the National Junior Cycling Championships in the track sprints where she also set a National Junior Record in the 200 meter time trial of

11.936 seconds. This summer Debra competed against some of the best sprinters in the world in the Sundance Grand Prix events in L.A., Colorado Springs, and Indianapolis. Her best finish was a third place finish at Indianapolis.

Debra, who rides for Vic Tanny/Schwinn and Northbrook/Schwinn (her home town club), also competed in the Senior National Track (Cycle) Championships in Seattle, where she narrowly missed making the final four after a dead heat finish with olympic gold medalist, Bonnie Blair. She eventually finished 6th at the Senior Nationals. Debra has also won road and criterion races this summer in Grand Haven, Grand Rapids, Valparaiso (IN) and Ft. Sheridan (IL).

Debra is also a member of the United States Speed Skating Team, a National and North American Junior Girls Speed Skating Champion, and a A+ student at Glenbrook North High School in Northbrook, IL where she is a senior.

H&R Block to Offer Tax School in this Area

Thousands of people are learning the skill of income tax preparation from H&R Block and are earning money as income tax preparers. H&R Block, the world's largest income tax preparation service, is offering a basic income tax course starting September 7th, with evening classes available. Classes will be offered at many convenient area locations.

During the 13 week course, students will study all phases of income tax preparation and receive actual experience in preparing individual returns. Experienced Block instructors will teach current laws, theory and application, as practiced in Block offices nationwide. There is a classroom discussion on each tax subject and practice problems at every level. Courses are programmed to teach students increasingly complex tax problems as study progresses. Students will find the course both interesting and challenging.

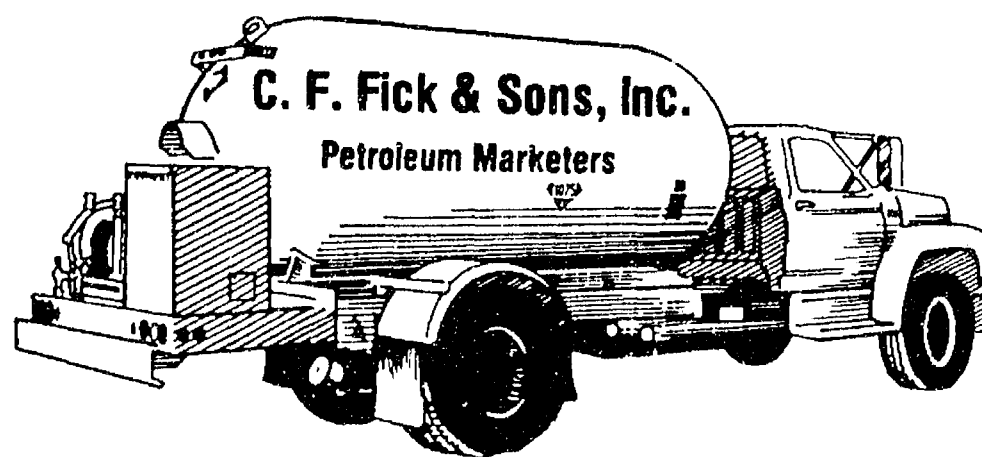

Courses are ideally suited for people who want to increase their tax knowledge and learn how to save money on taxes or who are looking for a rewarding career. No prerequisites are required to enroll.

Qualified course graduates may be offered job interviews for positions with Block. Many accept employment with Block because of the flexible hours available. However, Block is under no obligation to offer employment, nor are graduates under any obligation to accept employment with H&R Block.

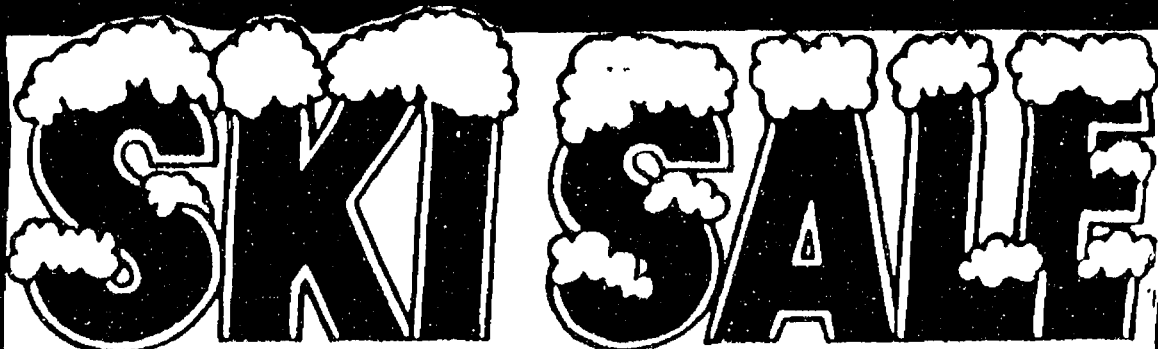

One low course fee includes all textbooks, supplies and tax forms necessary for the completion of the course. Certificates and 7.5 continuing education units will be awarded upon successful completion of the course. Master, Visa and Discover cards are accepted, or a time payment plan is available.

Registration forms and a brochure for the income tax course may be obtained by contacting H&R Block office at:

IMMUNIZATION

The Michigan Public Health Code requires that kindergarten students and students new to the district must present proof of at least one dose of measles, mumps, rubella, tetanus, pertussis, diphtheria and polio vaccine to enter school. Kindergarten students will not be admitted until proof of immunization is shown and students new to the district must present proof through a transfer of records from another district or from their physician within one month after they enroll or they will be excluded from school until such proof is shown. The Public Health Department in the County Courthouse has waiver forms for those seeking waivers to this code for religious reasons.

STUDENT ACCIDENT INSURANCE

Because of rapidly increasing costs, the school district will not carry student accident insurance this year. However, insurance forms will be sent home with all students during the first week of school. This optional insurance may be purchased by a parent, guardian or a student. Insurance enrollment forms should be returned to the principal's office by September 18, 1989.

ADULT BASIC EDUCATION CLASSES

In addition to the other programs offered by the Grayling Community Education Program, there is also a program designed especially for those adults who read at less than an eighth grade level. Adult Basic Education classes are offered free of charge to any area adult who would like to learn to read better, write better and improve their mathematical skills.

Adult Basic Education classes will meet at the Grayling Adult Learning Center four days each week, Monday through Thursday, from 9:00 a.m. until 11:00 a.m. Those planning to enroll in Adult Basic Education or who would like more information about the program should contact either the Adult Learning Center at 348-5459 during the day or the Community School Office at 348-7641, Ext. 27, during the evening hours. The first class session is set for Monday, September 12. High school credit can be earned through participation in this class.

CRAWFORD AUSABLE LITERACY NETWORK

Do you know of someone who can't read this article? Always orders the "special" in restaurants? Can't follow directions on a medicine bottle? Has trouble with job applications? Free confidential tutoring on a one-to-one basis is now available to area residents for help in basic reading, writing and math skills. This program is offered by the Crawford AuSable Literacy Network in cooperation with the Community Education Program. Potential students and others interested in the program may contact the Adult Learning Center (348-5459) or the Community School Office (348-7641) ext. 27, for additional information. Presently, tutors and students meet at libraries, schools, churches, community centers and various offices. In some cases, arrangements may be made to meet in the home.

BUILDING USE

The scheduling of all buildings in the Crawford AuSable School District is accomplished through the Community School Office. If your group would like to use any of the school facilities, it is necessary to request and submit a contract form. It is suggested that reservations be made at least one month prior to use. Call 348-7641, ext. 27.

CHILD SUPERVISION —

Offered for evening school students in the GHS School Hall. 6:00 - 10:00 Monday - Thursday.

Funds Available for Home Conservation projects here

Have you been putting off that conservation practice you've been thinking about doing for some time now? Well, now is the time to get that conservation project on the land!

Federal cost-share funding, at a rate of 75% of the cost of the project, is currently available for lan-

downers in Crawford and Roscommon counties by contacting Barb Stauffer, Program Assistant, at the ASCS (Agricultural Stabilization and Conservation Service) office at 409 Lake Street in Roscommon or phone 275-5231.

Some of the eligible practices are:

Vegetative Cover Establishment and Improvement (no-till); Field Windbreak Restoration or Establishment; Crop-land Protective Cover; Farmstead and Feedlot Windbreak; Tree Planting; and/or Permanent Wildlife Habitat.

Call or stop in today as the vegetative cover establishment.

46th Circuit Court

Appearing before the Honorable Alton T. Davis Monday, August 21, 1989:

Michael Andrew Beck, age 39, of Roscommon, was arraigned on a charge of Criminal Sexual Conduct 1st Degree and on a charge of being an Habitual Offender. He faces a maximum penalty of life or any term of years in prison on the CSC. The habitual offender count would increase the sentence for CSC to 1½ times the maximum.

Beck was arrested by the Crawford County Sheriff Department in May 1989 on a complaint investigated with the Department of Social Services.

Michael Andrew Beck was also sentenced on a charge of Criminal Sexual Conduct 1st Degree receiving 15 to 25 years in prison with credit given for 117 days served.

Beck was arrested by the Crawford County Sheriff Department in May, 1989 following an investigation of a complaint filed by the Department in May, 1989 following an investigation of a complaint filed by the Department of Social Services. He was found guilty following a jury trial in June, 1989.

Ralph Jay Arts, age 56, of Frederic, was sentenced on a charge of Criminal Sexual Conduct 4th Degree. He received 36 months probation, 12 months in the county jail, must pay \$400 court costs, \$550 attorney fees and shall not be in the company of minor children. He was also ordered to attend substance abuse and/or mental health counseling.

Arts was arrested by the Crawford County Sheriff Department on warrants issued in January, 1988 following an investigation of a complaint filed by the Department of Social Services.

Ronald Lewis Kirkwood, age 27, an inmate with the Michigan Department of Corrections, was arraigned on a charge of Prisoner Possessing Weapons and on a charge of Habitual Offender. He faces a maximum penalty of 5 years in prison and/or a fine of up to \$1,000 on the weapons charge. The Habitual Offender charge would increase the sentence for the weapons charge to 1½ times the maximum.

Kirkwood was arrested by the Michigan State Police on a complaint filed by

Camp Lehman in March, 1989.

Derrick Peter Christman, age 18, of Grayling, was arraigned on a charge of Larceny In A Building. He plead not guilty and faces a maximum penalty of 4 years in prison and/or a fine of up to \$2,000 if convicted.

Christman was arrested by the Grayling City Police Department following an investigation of a complaint in the City of Grayling.

Robert Reed Sheppard, age 17, of Grayling, was arraigned on 2 charges of Breaking and Entering a Vehicle With Damage to Vehicle. He faces a maximum penalty of 5 years in prison or a fine of up to \$1,000 on each charge if convicted.

Sheppard was arrested by the Crawford County Sheriff Department in June, 1989 for the Breaking and entering of a trailer and a motor vehicle parked at the Crawford County Fairgrounds.

Rodney Gipson, age 32, an inmate with the Michigan Department of Corrections was sentenced on a charge of Escape From Prison. He received 18 to 60 months in prison consecutive to the term he is now serving.

Gipson was arrested for escaping from Camp Lehman on July 22, 1988.

Corey Robert Wyskiel, age 19, of Grayling, was sentenced on a charge of Larceny \$100 Or Less. He received 24 months probation - the 1st 45 days in jail and was given for 1 day served. He must also pay \$400 costs, \$640 restitution and serve 30 hours of community service.

DENTAL IMPLANTS... THE CORE OF THE MATTER

Are you not enjoying life to its fullest? Are normal activities - laughing, smiling, engaging in social functions and dining out with family and friends - only dim memories? Do you have decayed, unsightly teeth or are they, perhaps, all missing?

If adhesives no longer keep your floating dentures in place and you've found it a painful experience to chew and enjoy your food effectively...if you have extensive shrinkage of your jaws and your facial features are collapsing...if your overall health is slowly being affected by your dental health, perhaps it's time to realize that you have

an alternative to accepting misery and discomfort for the rest of your life!

It's never too late to choose the alternative to denture misery and frustration. Implant and reconstructive dentistry now offer benefits and solutions for most oral cripples. Approaches are available today for the secure, stable and comfortable replacement of missing teeth. The choice is yours...for the restoration of your oral health as well as the improvement of your self-esteem, and the renewed enjoyment of the rest of your life.

Make the choice....call today for a consultation appointment.

Bits of Talk

By Fay Bovee (348-7017)

On a brisk Sunday afternoon, Aug. 6, 1989, the 33rd Millikin Reunion was held at Hartwick Pines State Park. One hundred ten descendants of William and Helen Millikin gathered despite the wonderful temperature, mid 50's.

Family members travelled from League City, Texas, Inverness, Florida, Lake Odessa, Okemos, Roscommon, St. Louis, Mt. Pleasant, Gaylord, Mio, Traverse City, and of course Grayling.

Isabelle Allison had surgery at Mercy Hospital on Thursday of last week and is reported doing well now.

Nancy Knibbs and son, Michael Ryan, of Ann Arbor spent a week at the Knibbs' home.

Mary Jane Knibbs accompanied her daughter, Dr. Linda Knibbs, to Boston for a week. They visited Holly and her husband, Gary Dockham, in Plalstow, New Hampshire, and did a lot of sightseeing in historical places, including parts of Maine. Mr. and Mrs. Joe Dumas of New Jersey are spending the summer at their home in Grayling on the AuSable.

Thank You

The Crawford County Chapter of the American Cancer Society would like to thank everyone who helped make our balloon launch a success. Your continued generosity in the fight against cancer is greatly appreciated.

Accepted 11 pieces of communications.

Appointed Elizabeth Wieland and Joseph Wakeley to represent the County of Crawford at the Annual MERS Meeting.

Supported Iron County's Resolution requesting that all hunting and fishing guides be licensed in Michigan and no licenses be granted to guides from states that do not allow Michigan guides to operate within their state by way of reciprocal agreement.

Accepted a donation of a large portable kennel from Loy McIntyre at a value of \$360.00.

Passed a resolution to assess prisoner reimbursement to the County for medical expenses and cost of lodging pursuant to P.A. 118 of 1984.

Requested that the Commission on Aging explore the future distribution of surplus food commodities in our County.

Authorized the Chairman to file an application with the Michigan Department of Agriculture for assistance with the Gypsy Moth Suppression program.

IN OTHER BUSINESS, COMMISSIONERS:

Were invited to use the new Probate Courtroom for public meetings.

Received a report on the amount of assistance provided to Crawford County Veterans from the DAV.

Listened to comments and questions on the Ambulance issue: A brief discussion was held on whether the issue would be placed on a ballot either to create a special assessment district or as a County wide proposal. Financial statements will be submitted to each unit monthly so everyone is kept informed. The Prosecutor's office will, again, submit letters to delinquent payers.

Discussed a variety of issues with Lou Ann Taylor, Senator Binsfeld's aide, regarding issues in Crawford County.

Learned the Community Corrections Advisory Board filled all but three of the positions. William Carey will represent Defense Attorneys, Robert Smock will represent Alternative Programs and David Lemmen and William Garden will represent Probation/Parole. The positions for news media, local business and general public will be advertised for.

Were updated on many activities planned by the National Guard and reviewed many recent news issues with Camp Commander David Hanson.

Heard brief up dates from various other committees.

Full text of official minutes are on file in the Clerk's Office.

 Michigan Tech's
 Summer Youth
 Program was Grayling
 Middle School 8th
 grader John Vickers.
 He participates in
 various athletics. His
 parents are David and
 Grace White of
 Grayling.

Hough Attends MTU Program

Ronald Hough of
 Grayling recently par-
 ticipated in Michigan
 Technological Univer-
 sity's Summer Youth
 Program. Each
 student has the oppor-
 tunity to participate in
 career exploration and
 development of new
 skills through

laboratory, classroom,
 and field experiences,
 directed by a Michigan
 Tech faculty member
 or a specialist in that
 area of study.

Hough is in the 8th
 grade at Grayling
 Middle School where
 he participates in soc-
 cer. He is also a 4-H
 member, and is active
 in his church youth
 group. Hough's paren-
 ts are James and

VFW Notices Support For Flag During Parade

The No. 3736 Auxiliary to Carl W. Borchers Post had eight members attend the 11th district meeting on Aug. 6 in Oscoda. There were 80-85 members present from district groups.

The VFW National Home has 10,000

membership at the present date. The project this year is to replace all windows and trim, a very big job. All new memberships help. Post and Auxiliary 3736 has 17 members at this time. Dorris Dannels is the chairperson to contact if you wish to join this worthwhile group. The home is located in Eaton Rapids.

Michigan. Roscommon Auxiliary will be hosting a school of instruction on September 6 at 7 p.m. If you have any questions plan to attend and get your needed information.

District President Sandy Harrow visited Auxiliary #3736 on August 10 and gave lots of insight for future meetings. The Post is planning another cleaning bee at Pere Cheney cemetery soon. The Post and Auxiliary want everyone to know they noticed all the patriotic people saluting the flag and paying respect in the Milltown Parade.

The Bible Speaks

The Gospel of John Part #83 Prayer of Our Identification

How is one identified as a Christian? God identifies us by our relationship to His person, His work, and His word. "I have manifested thy name unto the men which thou gavest me out of the world, thine they were, and thou gavest them me, and they have kept thy word." (John 17:6). We are first identified with the person or name of God. Christ taught His disciples to pray, "Our Father which art in Heaven..." We are born-again into God's family. We are children of God through faith in Jesus

Christ. The Lord Jesus Christ has declared the Father to us. (John 1:18). We are kept through His name. (John 17:11).

Secondly, we are identified as Christians through God's work. "...thine they were, and thou gavest them me..." (John 17:6b). "Now they have known that all things whatsoever thou hast given me are of thee." (John 17:7). Christians are the love give of God the Father to God the Son from before the foundation of the world. "According as he hath chosen us in him before the foundation of the world, that we should be holy and without blame before him in love: Having

predestinated us unto the adoption of children by Jesus Christ to himself, according to the good pleasure of his will, To the praise of the glory of his grace, wherein he hath made us accepted in the beloved...In whom also we have obtained an inheritance, being predestinated according to the purpose of him who worketh all things after the counsel of his own will." (Ephesians 1:4-6, 11)

Thirdly, we are identified as Christians through God's word. "...and they have kept thy word." (John 17:6c). "For I have given unto them the words which thou gavest me; and they

From Calvary Baptist Church

have received them, and have known surely that I came out from thee, and they have believed that thou didst send me." (John 17:8). This is the human side of identifying Christians. Jesus said obedience and faithfulness to God's word is a mark of our love or hate for God. "He that loveth me not keepeth not my sayings..." (John 14:24a). "...If a man love me, he will keep my words..." (John 14:23b). "He that hath my commandments, and keepeth them, he it is that loveth me..." (John 14:21a). It is a mark of discipleship. "...If ye continue in my word, then are ye my disciples indeed."

(John 8:31b). It is the nature of a Christian to hear and obey God's word. "My sheep hear my voice, and I know them, and they follow me." (John 10:27).

Are you identified as a Christian today? You may have the name, and make the claim, but obedience is the final identifying evidence.

God Changes Things

"An empty spider web hangs suspended in a dry bush, a mere pattern of gray trembling in the breeze."

Each week, people from every walk of life, carrying a myriad of joys and burdens, enter churches and synagogues to worship.

"Dew falls and the sun rises." God moves in the lives of His people. "Clothed now in dew, the once drab spider web becomes a chandelier of crystal rainbows — royal purples, velvet violets, fiery reds, some flecked with brightest gold."

People emerge from their houses of worship, apparently unchanged, yet — different. What is the new meaning in their lives? What is the deeper understanding? How has peace and confidence been renewed? A mystery? Perhaps! But not beyond experience.

Won't you join us this week? Together, we will learn from the God who changes things.

Recipes

By Phyllis Brummer

If you have an excess of vegetables in your garden, this is a good time to think about preserving some of them for holiday gift-giving. Homemade foods are always welcome gifts.

Basil Green Beans

4 lb. Green beans
1 1/2 tsp. Crushed red pepper
3 1/2 tsp. Whole mustard seed
3 1/2 tsp. Dill seed
14 Cloves garlic, peeled
1 Bunch fresh basil or 3 1/2 tsp. dried
5 c. Basil vinegar (Recipe Follows)
5 c. Water
1/2 c. Salt

Wash beans and cut to fit vertically in pint jars. In each of 7 pint jars add 1/2 tsp. red pepper, 1/2 tsp. mustard seed, 1/2 tsp. dill seed, 2 cloves garlic and a sprig of fresh basil or 1/2 tsp. dried basil. Pack jars with green beans. Bring to a boil the vinegar, water, and salt. Pour into jars to within 1/2 inch of top. Add lids and process 10 minutes in hot water bath.

Basil Vinegar

1 c. Basil leaves
3 c. Red wine vinegar

Place basil leaves in quart jar and press with a wooden spoon to crush slightly. Heat vinegar to boiling and pour into jar. Cover and let steep 2 weeks. If this is to be used as a gift, strain and pour into 2 pint jars, adding a fresh sprig of basil to each.

Green Tomato Relish

5 c. Chopped green tomatoes
5 c. Chopped cabbage
2 Large green peppers, chopped
2 Large red peppers, chopped
3 Large onions, chopped

1/2 c. Salt
3 c. Cider vinegar
1 c. Sugar
1 c. Brown sugar
2 tbsp. Whole mixed pickling spice,
tied in cheesecloth

Combine vegetables with salt and let stand overnight. Drain and press out liquid. Bring to a boil the vinegar, sugars, and spice. Add vegetables and simmer 30 minutes or until thickened to desired consistency. Remove spice bag. Pack in 4 pint jars, cap, and process in hot water bath 5 minutes.

Zucchini Relish

4 c. Finely chopped zucchini
2 c. Finely chopped onions
2 c. Finely chopped green tomatoes
1 c. Finely chopped green pepper
1 c. Finely chopped red pepper
4 tbsp. Salt
1 c. Sugar
2 c. Cider vinegar
1 tsp. Dry mustard
1 tsp. Turmeric
2 Tsp. Celery seed

Combine vegetables and salt and let stand overnight. Drain and press out liquid. Bring to a boil the sugar, vinegar, mustard, turmeric and celery seed. Add vegetables and simmer about 40 minutes, or until thick. Pack into 4 pint jars, cap and process in hot water bath for 10 minutes.

Mixed herb vinegar makes a novel gift and is delicious in a vinaigrette sauce. Lightly crush together 1/2 c. rosemary leaves, 1/2 c. thyme leaves, 4 shallots, peeled and sliced, 1 large sprig parsley, and 12 peppercorns. Add 3 1/2 c. cider vinegar, heated to boiling, and steep 2 weeks. Strain into 2 pint jars and add a sprig of rosemary or thyme to each.

Features

SASSY SHEPHERD — Sassy is a female German Shepherd, about 1 1/2 years old. She is very friendly and would make a good companion. Crawford County Shelter hours are Monday through Friday from 1-3 p.m. and on weekends from 11 a.m. to 12:30 p.m.

Verse or Worse

By Joseph D. Murphy

Gray Hair

*I saw a young girl laughing today
When she found some gray in her mother's hair.
I guess she didn't realize
She had helped to put them there.*

*The young are so proud of their youth.
Do they think us, old folks were born this way?
Don't they realize we too, were young?
Seems like only yesterday.*

*The years go by so swiftly—
Too soon the young are old.
So remember we too had our dreams
When we were young and bold.*

*If you see gray in someone's hair?
Don't treat it as a joke—
For all too soon your jet black hair
Will begin to look like smoke.*

*Remember it's worry about our young
That put those gray locks there.
Soon your children may be laughing
About the gray that's in your hair.*

Resource Review

By Bruce Patrick
Conservation Officer

This year's regulations for bear hunting season are creating controversy due to some changes. Many of these changes are the direct result of complaints received regarding the past activities of some bear hunters.

The bear hunting season in most of the upper peninsula is September 10 to October 31 for Michigan residents. Non-residents cannot hunt until September 20. It is unlawful to

establish a bait station that attracts bear prior to August 27 in the upper peninsula. Special regulations apply on Drummond Island and Menominee, Dickinson and Delta Counties.

In the northern lower peninsula the season will be September 22-28 for firearms and bow and arrow and October 6-12 for bow and arrow only. No baiting is allowed in the lower peninsula prior to September 2. It is unlawful to hunt over

illegal bait, which means any bait that is placed prior to established dates, is not placed on the ground, contains any plastic, wood, paper, glass or metal or creates a litter problem. There is a limit of three bait stations per person. Persons who wish to guide must register with the Department of Natural Resources prior to September 10 and are limited to 3 baits per licensed bear hunter they service.

Restrictions on the use of dogs for taking bear are outlined in the 1989 Bear Hunting Digest issued by the D.N.R. Major changes are no training bear dogs at night and no training during the 5 days immediately preceding the season opener in each management unit. There are also restrictions on the use of dogs by guides. No dogs are allowed during the bow and arrow only season in the lower peninsula.

...about your Social Security

A person whose Social Security check does not arrive on the day it is expected should wait for three more mail deliveries before contacting the Social Security office. This will take care of a good share of delayed checks. If the check still has not arrived by the third day, the people at the Social Security office can begin action.

The most common cause of failure to receive a check is failure to report a change of address. Many people do not notify Social Security when they move, even though they rely on their Social Security checks as their primary source of income.

Some people think it is enough to report their new address to the post office. However, the post office will forward mail to the new address for just one year. After that, the check may be returned to the U.S. Treasury. If the check is returned and the new address provided, it usually takes about four or five days for a new check to be sent. If the check was not returned, a stop order will be put on it, and the matter will be transferred to Washington, D.C. to see if the check has been cashed.

If it has not been cashed, a new check

will be sent right away. This process can take three weeks. If it has been cashed, a new check cannot be sent until the person who cashed the check is identified.

People who have direct deposit of their checks into a bank account should still notify Social Security of any change of address.

Your Week Ahead Horoscope

Forecast Period: 9/3-9/9/89

ARIES
Mar. 21-Apr. 19

A new era dawns with regard to professional work. Look for exciting developments to unfold in a most progressive way.

TAURUS
Apr. 20-May 20

A desire to achieve idealistic goals acts as a spur to greater ambition where humanitarian matters are concerned.

GEMINI
May 21-June 20

Old concepts give way to a new order. A shift in objectives seems to be in the wind.

CANCER
June 21-July 22

Interest in group cooperation and organizational work brings new associates into your circle. Sudden changes are likely.

LEO
July 23-Aug. 22

Going to extremes in the physical fitness department has a negative effect on your over-all well being.

VIRGO
Aug. 23-Sept. 22

There is much social activity. Look for new and unusual methods of self expression in your pursuit of pleasure.

LIBRA
Sept. 23-Oct. 22

Freedom to come and go as you desire is important to you, but is probably a disruptive factor in family relations.

Financial affairs of a corporate nature seem to fluctuate - up one day and down the next. The overall picture looks good.

CAPRICORN
Dec. 22-Jan. 19

Impatient outbursts tend to drive away the very ones whose help you need. Friends at a distance wait for the word.

AQUARIUS
Jan. 20-Feb. 18

Upheaval in private affairs seems likely. Renewed interest in the creative arts calls for adjustments in your manner of living.

PISCES
Feb. 19-Mar. 20

New insights into social conditions will open up different means of expression. Improve the standard of living where you can.

Strolling Around Town

By Fay Bovee
348-7017

Strolls downtown are the most frequent for me, either on my way to the Avalanche or to the Museum, where I volunteer along with many others, for one day a week. And strolls downtown are much more pleasant now with the smooth new sidewalks and the new planters that are being put in. They are still working on them this week. I haven't tried out the benches yet but one of these lovely fall days after

the tourists are mostly gone, I may sit down there and watch the world go by.

Several businesses that have planters on their buildings are the Grayling Agency (the old doctor's office if you go way back to the 30's), Carey and Miles Insurance office (site of the old Hanson Hardware Building) and Dr. Noss' vision office (Salling and Hanson). They all have flowers planted as well as some shrubs and look

attractive.

A block up the street Victoriana (Charlie Moore's former building) has a cart full of flowers and next to it in the vacant area (former Avalanche building) the CSIP (downtown merchants group) have their gazebo with a kiosk and flowers planted out near the sidewalk. Downtown looks wonderful compared to the "good old days" pictures.

A Look At Our Past

23 YEARS AGO
August 25, 1966

The Crawford County Red Cross Chapter was facing the critical question of whether or not it was going to continue as a viable organization. The group had failed to raise both its local and national fund quota during their last fund raising campaign and there was only \$300 in the local treasury.

The American Legion Post 108 marked its 47th birthday. The Grayling Post received its charter on August 27, 1919. Of the post's fifteen charter members, four still held their membership. These members included Alfred Hanson, Anthony Nelson, Earnest Larson and Curry Sheehy.

U.S. Marine PFC Thomas E. Wright, son of Russell and Roberta Wright of Grayling, had completed a Vietnamese language course at Camp Pendleton, CA. PFC Wright graduated at the top of his class, and was slated for work as an interpreter or in-

terrogator in Viet Nam. Following extensive jungle training in the Philippines, PFC Wright shipped out for Viet Nam, where he took part in an assault landing east of Saigon.

Former resident Clarence J. Galloway was killed in a logging accident at Muskegon on August 2, 1966. Clarence and wife Mae and children moved to Muskegon a couple of years ago when his son was seriously injured in a car accident and had resided there since that time.

The sixth Annual 100 mile physical fitness destination walk was scheduled to start at the Shoppenagon Motor Hotel on Monday, August 29, at 8:30 a.m., with the final destination to take part in the 9th Annual Labor Day walk over the Mackinac Bridge.

Students from Mr. Garrett Bufo's art classes submitted their works of art for competition at the Otsego County Fair, and managed to capture 19 ribbons. Students winning prizes were Betty Jean McLeod, Ruth

Ann Meaker, Sandy Millikin, Steve LaGrow, Rhea Stepe, Lynn Elsey, Vicki Wells, Nancy Knibbs, Christine Gildner, and Pat Thompson.

46 YEARS AGO
August 26, 1943

With only half as many forest fires this year so far as last year and only one-fourth as many as in 1941, Michigan is having the best forest fire year in history, conservation department officials reveal. Only 381 fires have been spotted so far this year by conservation department towermen, while 683 had been reported by this time last year, and 1,286 by this time in 1931. Pointing out that 98 percent of all forest fires are man-caused, department officials attribute the drop in forest fires this year principally to the fact that fewer people are using Michigan's great northern forest areas this year. Gasoline rationing, travel restrictions and important war jobs have drastically cut the numbers of forest-users.

Miss Louis Feldhauser, daughter of Mr. and Mrs. Rudolph Feldhauser, was one of forty-seven to receive her diploma from the St. Mary's Nursing School at Grand Rapids, Sunday, Aug. 15 at St. Andrews Cathedral.

Mrs. Elwyn Doremire and son Tony are visiting Mrs. Doremire's mother, Mrs. Paul Lovely for two weeks. They reside in Midland.

Bill Wilson returned to his work at the Kerry & Hanson Flooring Co. after being confined to his home for two weeks with pneumonia.

The blackberry crop isn't turning out so large as early predictions indicated. However there is at least a fair crop in some places.

Born to Mr. and Mrs. Robert Bancroft at Mercy Hospital Wednesday a 9 1/2 pound boy who will go by the name of Paul Hally.

Jimmy Kitchen while swimming in the AuSable at the Tourist Park Saturday had the misfortune to cut a

gash in the side of his head when he dove in shallow water and struck his head on a stone. It took a couple of clamps to close the wound. He contracted the flu the same day and so had to remain in bed for a few days.

Mr. and Mrs. Fred Vogler of Flint visited the latter's brother and wife, Mr. and Mrs. Maurice Gorman over the weekend. Mrs. Gorman is enjoying a vacation from her duties as county nurse from this district of Crawford and Kalkaska counties.

69 YEARS AGO
August 26, 1920

The following make up the school faculty list for the year: Supt. B. E. Smith; Prin. Kathleen Parr; Commercial, Doris Woodward; Science, Enid Lewis; Math, Margaret Joseph; Languages, Violet Jones; History, Marguerite Hoyt; Junior High, Carrie Johnson; Junior High, Pearl Hayes; Music and Drawing, Helen Parr; 8th grade, Myrtle Rogers; Burnice

boody; 5th grade, Gladys Newlin; 4th grade, Rose Gunville, Clara Kingsley; 3rd grade, Mae Richardson; 2nd grade, Helen Abbott; 1st grade, Laura Thompson, Josephine Wescott; Kindergarten, Helen Giegling.

Mr. Aage Harold Thorsen and Mr. Billegard Janson arrived in Grayling Tuesday to visit their friend Mr. C. B. Olivarius and also to look over the farm land of this section of the state. They are wealthy Danish farmers and came here from the Pacific coast on their return trip to Denmark. They were much impressed with the beautiful country and liked the lumber-jack grub they ate when stopping at the Salling Hanson Company's camp near Vanderbilt.

David Kneff received a very interesting letter from Frank Calkins who is now located in Montevideo, Uruguay, South America. Mr. Calkins went to that country in April.
